

New Artist Vendor Submission Information Jambridge 2023

Hello,

Thank you so much for your interest in participating in our Second Annual **Jambridge** Music and Arts Festival. My name is Kimberly Fabrizio and I will be your contact for this event. The festival is being held on **Saturday, September 23th** from **10:00 am to 10:00 pm** on the 900 block of Merchant Street in Ambridge. Last year was a blast and wildly successful! We anticipate an even bigger turn out this year.

We are now accepting applications for the 2023 Jambridge Community Music and Arts Festival! Applications are open to all and everyone is welcome to apply. However, this year because of such a great demand for participation and a limited number of spaces, not everyone will be accepted to attend. This will be a curated process for all new vendors and small businesses. All applications will be reviewed and discussed with and by the board of founding members. Each vendor application will be considered based on a number of factors. Once we have selected all of the artists and vendors for this year's festival, you will receive a notice whether or not you have been selected to participate. If you have been selected to participate you will receive an official registration form and at the time you will be required to submit a **vendor fee of \$150.**

The deadline to apply is Friday August 18th. You will then be notified by August 22nd if your application has or has not been accepted. Then you will have a week to confirm your registration and submit your fee.

Please take a moment to download, fill out and return the Artist Vendor Application. We truly appreciate your excitement and desire to participate and hope that we can have you with us this year! Our community has a rich history and we are simply making sure that we continue to build, grow and revitalize our community through music, art and gathering!

Feel free to reach out to me with any questions you have along the way; email and text are the two best ways to communicate with me so I have included my cell number! We really look forward to working with all of you and making this free community event a huge success!
