

Day of

Festival Information

**Things you may want to consider bringing:**

- **Water bottles** (we will have a refilling station)
- **Camp chairs** (we have a hospitality tent, but other than that it's standing room)
- **Sun screen** (that sun is still pretty hot in September)
- **A tote bag** (if you are shopping our vendors it helps to keep you hands free)
- **Cash** (while almost all vendors accept cards, cash is good to have in case of a POS outage)

**Things to note:**

- In order to drink at Jambridge you must have your I.D. checked and you must purchase a wristband for \$5 which comes with a commemorative 2023 cup. Alcohol is a separate purchase.

- Jambridge will be selling tee shirts, stickers and some other small items (all proceeds go towards funding the festival).

- Parking may be tough to find. Walk if you can but if not we have designated lots that you can use and can be found on the website via the parking map link.

- Yes, you can bring your well behaved dogs.

- We encourage you to bring the whole family

- Please be mindful of your trash and your commemorative cups

- **We have two very fun and talented bands coming all the way from San Deigo Calafornia that come on late in the day, make sure to stay and show your Ambridge/Pittsburgh love and support!**
